## Screenshots for localisation Galaxkey Portal

The screenshot shows the 'Electronic signing' configuration page in the Galaxkey portal. The left sidebar contains navigation links: Home, Workspaces, Configurations (General, Classification, Password policy, Electronic signing), Secure workspace, Branding, Email templates, Yoti verify, Group policy, Domain setup, Identities, Hybrid setup, Yoti eKYC, Audits & reports, and Support. The main content area has three sections: 'Company logo' with 'Width\*' (300) and 'Height\*' (300) fields; 'Supporting documents' with 'Maximum cumulative size of documents (MB)' (7) and 'Maximum documents to attach' (8) fields, and an 'Allow download' toggle; and 'Consent' with a 'Consent Text' editor. The 'Update' button is at the bottom right.

### configurations-es2

The screenshot shows the 'Certificate' configuration page. The left sidebar is identical to the previous screenshot. The main content area has two sections: 'Digital certificate' with a 'Select certificate file to upload' button, 'Corporate certificate password', and 'Corporate certificate confirm password' fields; and 'Document template' with a search bar, a 'Refresh' button, and an 'Add template' button. Below is a table with columns '#', 'Subject', 'File name', and 'Creation date', currently showing 'No data to display'. The 'Update' button is at the bottom right.

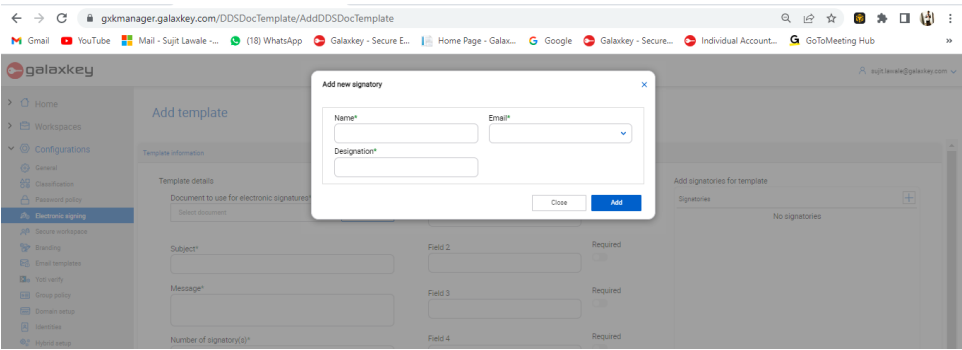

### configurations-es3

The screenshot shows the 'Add template' page. The left sidebar is identical. The main content area has a 'Template information' section with three columns: 'Template details' (Document to use for electronic signatures\*, Subject\*, Message\*, Number of signatory(s)\*), 'Custom field details' (Field 1 to Field 5, each with a 'Required' toggle), and 'Add signatories for template' (Signatories). The 'Number of signatory(s)\*' field is set to '1'. The 'Signatories' section shows 'No signatories'. 'Cancel' and 'Next' buttons are at the bottom.

## Screenshots for localisation Galaxkey Portal

The screenshot shows the 'Template settings' page in the Galaxkey Portal. The left sidebar contains navigation links: Home, Workspaces, Configurations (General, Classification, Password policy, Electronic signing, Secure workspace, Branding, Email templates, Yoti verify, Group policy, Domain setup, Identities, Hybrid setup), Yoti eKYC, Audits & reports, and Support. The 'Email templates' section is active. The main content area displays a table of email templates categorized by 'Category'. The categories include 'Authorization', 'Digital Document Signing', and 'Event Emails'. Each category lists specific templates with their descriptions and subjects. An 'Update' button is located at the bottom right of the table.

#	Name	Description	Subject
<strong>Category: Authorization</strong>			
<input type="radio"/>	Authorization Request Denied	This email template is used to generate an email when a request for authorization is denied by the ...	Authorization Request Denied
<input type="radio"/>	Authorization Request Granted	This email template is used to generate an email when a request for authorization is granted by the ...	Authorization Request Granted
<strong>Category: Digital Document Signing</strong>			
<input type="radio"/>	DDS File Shared For Signing	This email is used when owner shares a file for signing to signatories	undefined
<input type="radio"/>	DDS Your Copy of sign document	This email is used when signatory signs the document and a notification	NOT USED
<input type="radio"/>	DDS Document Signed	This email is used when signatory signs the document the owner gets the notification	NOT USED
<input type="radio"/>	DDS Document Recall	This email is used when owner recall the document notification is sent to the signatories	NOT USED

<input type="radio"/>	ADD - Send ADD Request	This email is sent when a user does a ADD request for forward	Authorized Data Distribution Request

### configurations-7

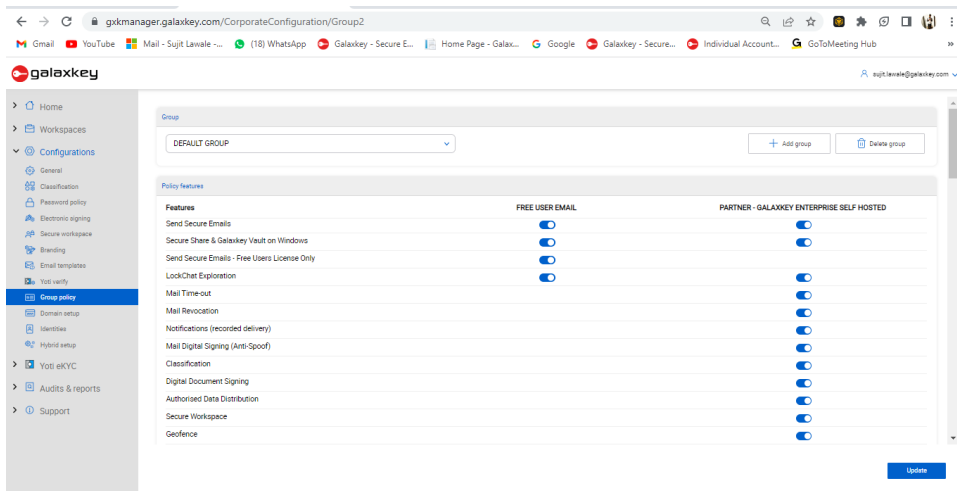

The screenshot shows the 'Email template - edit' page. The left sidebar is identical to the previous screenshot. The main content area is titled 'Email template' and contains a 'Attributes' section on the left and a 'Design' preview on the right. The 'Attributes' section includes fields for 'Name\*' (Galaxkey Secured Email - HTML), 'Category\*' (System), and 'Description\*'. Below these is a 'List of variables which are allowed' and a 'Preview' button. The 'Design' preview shows a visual representation of the email template, including the Galaxkey logo and a 'Design' button. At the bottom, there are 'Cancel' and 'Save' buttons.

### configurations-et

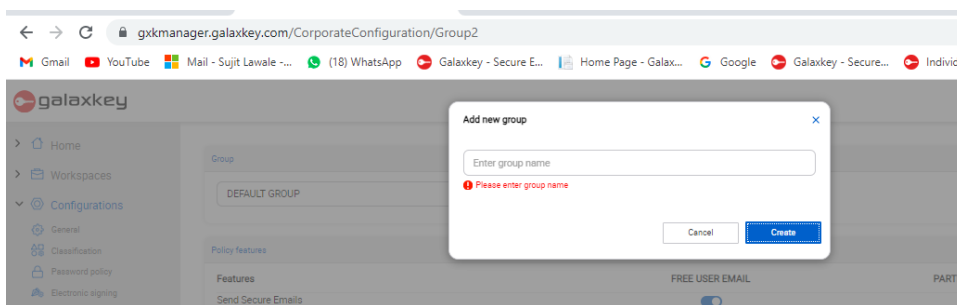

The screenshot shows the 'Yoti attributes' configuration page. The left sidebar is identical to the previous screenshots. The main content area is titled 'Yoti attributes' and contains a form for configuring Yoti attributes. The form includes fields for 'Yoti SDK ID', 'Scenario ID for signup', 'Scenario ID for authentication', and 'Scenario ID for KYC'. There is also a 'Yoti certificate' field and a 'KYC workspace owner' field. A note at the bottom states: 'Please make sure appropriate data fields are selected for Yoti scenarios in Yoti application configuration.' An 'Update' button is located at the bottom right.

## Screenshots for localisation Galaxkey Portal

The screenshot shows the 'Hybrid Configuration' page in the Galaxkey portal. The left sidebar contains navigation links: Home, Workspaces, Configurations (selected), General, Classification, Password policy, Electronic signing, Secure workspace, Branding, Email templates, Yoti verify, Group policy, Domain setup, and Identities. The 'Hybrid setup' sub-menu is active. The main content area is titled 'Hybrid key store path' and contains two input fields: 'Individual keys\*' with the value 'C:\appliancefolder\gk\hybridkeys\individual' and 'Administrator keys\*' with the value 'C:\appliancefolder\gk\hybridkeys\corporate'. Below this is the 'Email configuration to send emails from this appliance' section, which includes a 'Test mail server settings' button. The 'Server type\*' is set to 'SMTP'. Other fields include 'SMTP server' (email-smtp.eu-west-1.amazonaws.com), 'SMTP port\*' (587), 'SMTP login ID' (AKIAJ3QNMFGGSDAIVQ), 'From email address' (donotreply@galaxkey.com), 'Electronic signing from email address' (esnotifications@galaxkey.com), 'From display name' (Galaxkey Security), and 'Electronic signing from display name' (Galaxkey Electronic Signing). There are two checkboxes: 'Allow sending emails using senders email address using this SMTP server' (checked) and 'SMTP secured' (checked). An 'Update' button is at the bottom right.

### configurations-hs-1

This screenshot shows the same 'Hybrid Configuration' page as the previous one, but with a modal dialog box open. The dialog is titled 'Please enter an email address to send a test email message' and contains an input field labeled 'Enter email address'. Below the input field is a red error message: 'Please enter email address'. There are 'Cancel' and 'Send test message' buttons at the bottom of the dialog. The background configuration page is dimmed.

### configurations-hs-2

The screenshot shows the 'Hybrid Configuration' page with the 'Galaxkey secure storage' section expanded. It contains three input fields: 'Private key' (PHFXPHXKSCAAKXPHXU), 'Private value' (SX0XHNACCXAASSPUCKA), and 'Folder for galaxkey secure share\*' (C:\appliancefolder\gk\GSSFolder). Below this is the 'Authentication options' section with 'Authentication mode\*' set to 'Galaxkey'. The 'IP access control' section has a text area for 'Enter the list of IP ranges to treat as local IP addresses'. The 'Two factor ignore list' section has a text area for 'Enter a comma separated email address list which will not be challenged to setup 2FA when mandated by workspaces on the home server of this account'. The 'Secure delivery service' section has two input fields: 'Message to display in the secure delivery service web page' and 'Maximum attachments to attach in the form\*'. An 'Update' button is at the bottom right.

### What is Yoti

A secure, reusable Digital ID you can use to prove your identity or age.

- Prove your identity to businesses and individuals you trust.
- Connect with verified people online.
- Protect your passwords.
- Join over six million people who have downloaded the free Yoti app.
- Our systems are architected in a way that means we cannot share your details without your permission or mine or sell your data to third parties.

Trusted by governments and businesses:

Version: 6.0.0.1 Copyright © 2023 Galaxkey Limited.

## Screenshots for localisation Galaxkey Portal

A screenshot of a web browser showing the 'Forgot password' page of the Galaxkey portal. The browser's address bar displays the URL: `gxkmanager.galaxkey.com/Services/ForgotPassword/c3VqaXQubGF3YWxlQGdibGF4a2V5LmNvbQ%3d%3d`. The page has a blue background. A white form box is centered, featuring the Galaxkey logo at the top. The title 'Forgot password' is followed by instructions: 'To recover the password please enter your login id or any of your identity email addresses and we will advise you the next steps.' Below this is a text input field containing 'sujit.lawale@galaxkey.com'. Another instruction 'Enter the number to confirm you are human' precedes a CAPTCHA image showing the number '848971'. Below the image is an empty input field and a small text prompt: 'Enter CAPTCHA here that you can see above or hear via audio button.' At the bottom of the form are two buttons: 'Start password recovery' (blue) and 'Cancel' (white). A footer contains version information: 'Version: 4.0.0.1 Copyright © 2023 Galaxkey Limited. All Rights Reserved. Galaxkey is a registered trademark of Galaxkey UK.'

### fgtPass

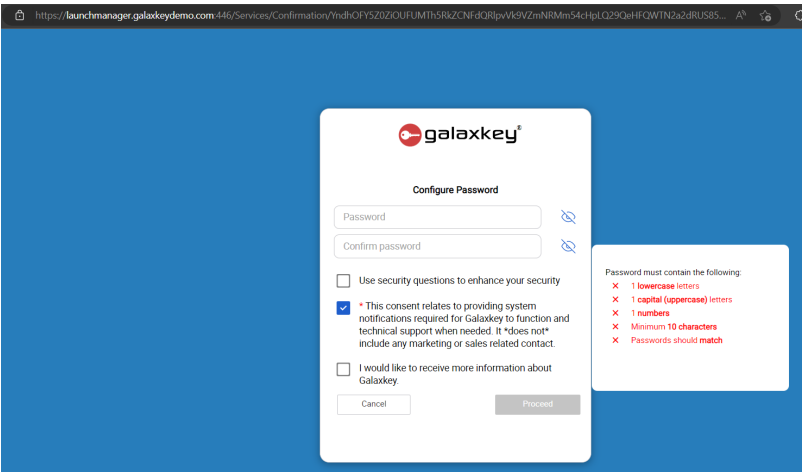

A screenshot of a web browser showing the 'Self Registration' page of the Galaxkey portal. The browser's address bar displays the URL: `https://launchtybridmanager.galaxkeydemo.com:501/services/registerme`. The page has a blue background. A white form box is centered, featuring the 'LAUNCH HYBRID' logo at the top. The title 'Self Registration' is followed by instructions: 'Please enter your email address to signup\*'. Below this is a text input field. Another instruction 'Enter the number to confirm you are human' precedes a CAPTCHA image showing the number 'P03099'. Below the image is an empty input field and a small text prompt: 'Enter CAPTCHA here that you can see above or hear via audio button.' Below the form, a line of text states: 'By clicking **Signup** you accept our [Terms and Conditions](#) and [Privacy Policy](#)'. At the bottom of the form is a blue 'Sign up' button.

### rgstrme

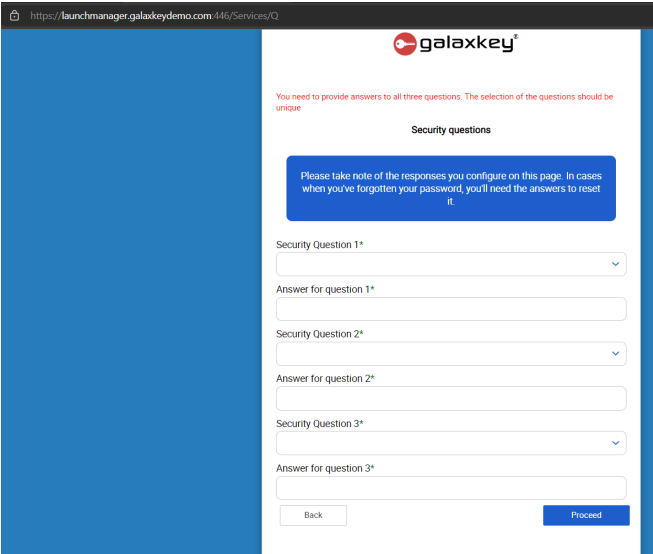

A screenshot of a confirmation message box from Galaxkey. The box has a blue border and a white background. At the top left is the 'LAUNCH HYBRID' logo. In the center is a blue circular icon containing a white checkmark. Below the icon, the text 'Email Confirmation Required' is displayed. Further down, a paragraph reads: 'Thank you for registering with Galaxkey. You will receive a confirmation email shortly on your registered email address. Please click on the link to complete registration.'
