The screenshot displays an email client interface. At the top, the status bar shows the time as 1:36 PM on Thursday, April 27, with a battery level of 100%. The email header includes a back arrow, the sender's name 'shripad.desai@galaxykey.com', and the recipient 'To: sujil.lawale@galaxykey.com'. The subject line reads 'Test email from ios app[Secret]'. The email body contains the text 'Test'. A modal dialog box titled 'Authorise request' is centered on the screen. The dialog contains the following text: 'Are you sure you want to grant the request to sujil.lawale@galaxykey.com? Please make sure sujil.lawale@galaxykey.com is intended recipient. You can revoke this email to prevent the recipient(s) from gaining access to this email.' At the bottom of the dialog are two buttons: 'Authorise' and 'Cancel'.
